If you answered yes, please give details

DECLARATIONS

The undersigned parents / legal guardians:

- freely consent to the tattoo described above being carried out on the minor;
- have been informed that a tattoo is permanent and that removing it is difficult, expensive and not always complete;
- have been informed of the possible risks (allergic reactions, infection, abnormal healing);
- have received the aftercare instructions and undertake to make sure they are followed;
- declare that the information given in this form is true;
- undertake that at least one of the signatories will be present during the session.

The data collected with this form is processed solely to manage the session and to meet legal obligations, under EU Regulation 2016/679 (GDPR). Please attach a copy of the IDs of the minor and of the signatories.
